SUBJECT: DOJ/OSI Notes on Klaus Barbie-Altmann

1. On 29 February and 1 March 1983, Messrs. Dick Sullivan and Alan Ryan of the Department of Justice, Office of Special Investigations (DOJ/OSI) visited the Headquarters building to review the Directorate of Operations (DO) files on Klaus Barbie-Altmann. DOJ/OSI's request for this review was in conjunction with their investigation of U.S. complicity in Barbie-Altmann's immigration from Europe and resettlement in South America.

2. The notes taken by Messrs. Sullivan and Ryan have been reviewed and classified "SECRET". The original notes are attached for return to them at DOJ.

3. Because of high level interest in the Barbie-Altmann case, all available information in the DO files was provided to OSI for review in full text, including third agency material. During the course of any discussions OSI may have with the U.S. Government agencies, specifically the Department of Army, OSI may inform those agencies that CIA was the source of the information.

4. During the course of any discussions with representatives of other governments, DOJ/OSI may not acknowledge CIA as the source of any information on Klaus Barbie-Altmann.

5. Please remind Messrs. Sullivan and Ryan that the attached information has been provided for their background use only and may not be used for litigation purposes without prior coordination with this office.
